## MEMORANDUM

ILLEGIB

TO: Branch Chiefs

FROM: Assistant Director, OCD

SUBJECT: Tuesday Morning General's Conference

In addition to the items discussed Monday in the OCD conference, the following items of interest were mentioned at the General's conference this morning.

- a. A new security oath, and policy regarding CIO members writing or making public appearances, have been prepared and are being circulated for concurrence of Assistant Directors. They have been approved by Security Branch, OCD, [redacted] the General Counsel, and PAA. They will be circulated for information after being approved by the Director. 25X1A
- b. General Sibert explained the intent of the [redacted] special project section, stating that it would be a small unit, probably three people, to produce special screening studies of the [redacted], but not in any way to conflict with ORB's research and evaluation rights. Samples mentioned were, the recent papers prepared for General Marshall preparatory to the conference, foreign reaction to the President's Greek-Turkey proclamation, and foreign reaction to the President's recent elimination of Selective Service. 25X1
- c. [redacted] 25X1
- d. The Washington contact branch of [redacted] was opened on 15 March. 25X1
- e. Steps are now being taken in preparation for the opening of the [redacted] 25X1
- f. PAA has prepared three forms of CIO credentials which are now before the Director for consideration. No rules as to their use have been indicated as yet. 25X1
